

Experian Employer Services

Bringing efficiency and engagement to your world of work

Empowering your workforce to take control of their finances and to manage their financial future

In a rapidly changing world of work, it's important for you to have access to the very latest insights to help you understand and support your workforce. Experian's comprehensive suite of employer services is designed to provide you with the best employee onboarding, wellbeing and engagement experience. As your trusted partner, we can support you and your workforce with a data-led approach that can be used to improve financial wellness throughout the employee lifecycle.

Increase employee engagement by up to

40%

We help you:

- Seamlessly onboard and offboard your employees to minimise risk, while supporting your employees' access to finance
- Bring your remuneration packages, pay and total reward statements together in a simple, intuitive mobile app
- Empower employees to access financial products and services
- Gain deeper insights into the impact of the economic environment on your workforce to inform your benefits strategy

The benefits for you:

- ✔ Increase employee engagement by up to 40% across your workforce
- ✔ Reduce manual HR and payroll tasks by 60%
- ✔ Minimise risk to your business by recruiting the right people for the right jobs
- ✔ Understand your employees' financial wellbeing and identify those who need support to manage their financial lives

Reduce manual HR
and payroll tasks by

60%

The benefits for your employees:

- ✔ Improve their understanding of their pay, tax and employee benefits
- ✔ Provide convenient access to pay and rewards anytime, anywhere, via a mobile device
- ✔ Enable employees to share their digital payslip securely with organisations of their choice to verify their employment, and income for critical life events such as buying a home or renting a property
- ✔ Deliver financial tips and advice on pay and remuneration that improves engagement with pay and promotes financial resilience
- ✔ Enable access an employee's credit score, so they can monitor their credit worthiness and identify the best time to apply for credit
- ✔ Seamless offboarding that helps an employee source and save their historical payslips after they have moved on

How do we do this

Background Checking

Verify a candidate's previous employment

Financial wellbeing

Insights on impact of cost of living on employees, real-time access to payroll with prompts and advice

Digital payslips

Secure, employee-consented sharing of pay data

Employee Offboarding

Access to historical payslips to verify previous income and employment
